## AKTINA: Story of quality for the demanding professional

AKTINA, for more than 20 years, has become a partner and ally to the professional Confectioner and Baker, offering a continually increasing range of quality products. Through these years AKTINA managed to be recognized as a leading company at its sector and to become a main provider of ingredients to Pastry Shops, Bakeries, Industries, Small Producers, Hotels, Restaurants and Catering Providers.

AKTINA has a strong presence at the chocolate category, couvertures and compound chocolate, a full series of pralines, ice cream syrups, beverages, pastry mixes, desserts, pastry creams, confectionery decoration toppings, confectionery support products and raw materials. Products are traded with the AKTINA brand name but there are also a number of products for private label according to the needs of the customer.

AKTINA provides products of excellent and consistent quality and commits to the use of first rate raw materials in every product, ensuring quality control through the whole productive process. The majority of its products are produced in Greece to the highest standards of the international food industry.
